Superkid News

Dear Superkid Parents,

I can't believe it's already Thanksgiving break! We had a wonderful feast today. Thank you to everyone that sent items for us to enjoy! We are working on a K-4 ABC Christmas book. Each child will contribute artwork, and then receive the collective book. There is a Ziploc with information in your child's tote bag. I can't wait to see the finished product! Please return your child's page on Monday, November 30, to allow us time to have 27 copies made!

Please note that Santa is visiting on December 3. Children may wear Christmas clothes for the picture. You are welcome to send a change of clothes if you are concerned about them playing in their Christmas outfits.

Our Christmas Sing practice sessions are scheduled for December 7-9. We will leave our room promptly at 8:10 to head to the Parish Hall. Please try to have your child at school on time, as there will not be anyone at the White House. Your child may wear "church" clothes to the actual Christmas program, but the K-4 children will also wear costumes to act out the Nativity scene!

Yours in learning,

Elizabeth Tamplin
